

# 2017 RAFIKI BALL

SATURDAY JUNE 10  
GRAND BALLROOM, CROWN PERTH

## **TABLE PROSPECTUS**

your chance to change lives in tanzania

# ABOUT RAFIKI SURGICAL MISSIONS

**Since our first mission in 2004, Rafiki Surgical Missions has been changing the lives of Tanzanian children and adults with conditions such as cleft lips, cleft palates and burns injuries.**

While Australian children born with disfiguring facial deformities will have them repaired while they are still babies, in Tanzania's remote rural areas sufferers can be forced to endure a lifetime of alienation. In fact, it can lead to the shunning of entire families by their communities.

Our volunteer surgical teams are giving these people the chance to live a normal life. Treated babies will grow up never knowing the alienation they may have been subjected to; children can go back to school with new confidence, completely accepted by their peers; and adults may go on to find work, marry and even take on important leadership roles in their villages.

Our teams of volunteer surgeons, anaesthetists and nurses perform up to 80 operations during each two-week mission. The local doctors and nurses also benefit from our collaboration with the host hospitals, working with the visiting medical staff and building their own skills in this specialised area of reconstructive surgery.

In addition to the surgeries and training, Rafiki sends shipping containers of medical equipment to Tanzania that would otherwise go to waste in Australia. Since 2010, we have packed and shipped dozens of containers for distribution to hospitals and medical centres. The replacement cost of this equipment runs into the many millions.

Rafiki is a 100% volunteer organisation. With no administrative costs, every dollar raised goes back in to making life better for people who would otherwise have no chance of a new start. Our funding comes from a variety of sources, including sponsorship from organisations in Australia and Tanzania, personal and corporate donations, and of course through our annual fundraising events.

Leah's cleft lip was repaired by Rafiki

# 2017 RAFIKI BALL

SATURDAY JUNE 10  
GRAND BALLROOM, CROWN PERTH

Now in its 14th year, the Rafiki Ball is the only fundraising event for Rafiki Surgical Missions. Each year at the Ball we raise the majority of our yearly operating costs to send medical teams to Tanzania to provide free medical treatment, train local staff and also transport second-hand medical equipment to under resourced clinics and hospitals.

Rafiki is a volunteer-run organisation with zero admin costs. Every dollar raised at the ball goes directly to our work in Tanzania. We pride ourselves on keeping our event costs to a minimum through generous supporters and volunteers, while still creating a spectacular evening that is always great fun.

The Ball provides us with a platform to raise awareness and recognise the efforts of our volunteers, and we keep the formalities to a minimum so everyone has a chance to talk, have a good time and dance the night away.

## Rafiki Ball highlights include:

- Hosted in the new Crown Grand Ballrooms
- Pre-dinner drinks from 7pm
- Premium wines
- Fine dining with a three course dinner
- Entertainment throughout the evening
- Photographer and/or photobooth
- Reverse Raffle with great prizes
- Silent Auction
- Major Auction
- Full band and dancing from 10pm

## Standard Tickets

Tickets are priced at \$225 per person, and tables seat 10. To help keep our administration time to a minimum, we'd prefer to receive one payment per group and bookings in tables of 10, however smaller groups are most welcome. Please fill in the payment form and known guest details for the seating chart and dietary requirements.
